GREETINGS

Thank you, again, for those nice orders and letters last season. The gardens will continue to be a HOBBY, hence the very low prices. You will continue to receive clean, large plants as usual and very prompt shipments. All mail orders of \$3.00 or more will be prepaid in this and adjoining states. All other states shall include 5 cents per plant, extra, for postage. All orders for less than \$3.00 in any state will require 35 cents in addition to the order to cover shipping.

Shipping and call orders will begin in June and continue late into Fall.

Visitors are always welcome throughout the blooming season in May.

Substitute lists are always appreciated. Your bonus plants will be selected, also, from such lists.

W. Va. residents shall include a 2% sales tax.

Visitors who like to buy clumps while in bloom may do so of late evenings, Saturday afternoons and of Sundays. It is best to arrange appointments.

Compost-humus will still be available at 50 cents per bushel, cash and carry. Bring containers.

I carry the following in limited stock for convenience of my garden visiting customers; Vigoro, Vigoro for Azaleas, Steamed Bone Meal, Fermate, Agricultural Gypsum, 50% D.D.T., Dupont Fungicide "A" containing Zineb, Johnson and Bermuda Grass Killer as well as several other garden needs.
